It is this **highly personal and cost effective** approach that has appealed to individuals and companies from a wide variety of sectors.

我们力求以最低的成本为各个行业的客户提供量身定做的解决方案；

Although we still offer traditional accountancy services we also provide much broader commercial, tax and financial management advice, underpinned by our **specialist knowledge** of the various facets of the entertainment industry.

我们以在这些行业中累计的资源为依托不仅为客户提供传统的会计咨询服务，更是提供给客户各种行业领先的创新性服务；

Many of our clients are owner-managed businesses and entrepreneurs who are looking for more than someone to simply balance the books. We aim to **take the drama out of their finances**, leaving them free to develop and exploit their creative flair.
